FINAL JUDGMENT

WHEREAS, plaintiff, United States of America, filed its Complaint on December 19, 2005, plaintiff and defendants, defendant UnitedHealth Group Incorporated and defendant PacifiCare Health Systems, Inc., by their respective attorneys, have consented to the entry of this Final Judgment without trial or adjudication of any issue of fact or law and without this Final Judgment constituting any evidence against or admission by any party regarding any issue of fact or law;

AND WHEREAS, defendants agree to be bound by the provisions of this Final Judgment pending its approval by the Court;

AND WHEREAS, the essence of this Final Judgment is the prompt and certain Divestiture of certain rights or assets by defendants, and their adherence to certain injunctions, to ensure that competition is not substantially lessened;

AND WHEREAS, plaintiff requires defendants to make certain Divestitures for the purpose of remedying the loss of competition alleged in the Complaint;

AND WHEREAS, defendants have represented to the United States that the Divestitures required by this Final Judgment can and will be made, and that defendants will later raise no claim of hardship or difficulty as grounds for asking the Court to modify any of the Divestiture or injunctive provisions contained herein;

NOW THEREFORE, before any testimony is taken, without trial or adjudication of any issue of fact or law, and upon consent of the parties, it is ORDERED, ADJUDGED, AND DECREED:

I. JURISDICTION

This Court has jurisdiction over the subject matter of, and each of the parties to, this action. The Complaint states a claim upon which relief may be granted against defendants under Section 7 of the Clayton Act, as amended, 15 U.S.C. § 18.

II. DEFINITIONS

As used in this Final Judgment:

A. “Boulder” means the Metropolitan Statistical Area comprising Boulder County, Colorado.

B. “Boulder Contract” means that portion of PacifiCare’s current contract with the Regents of the University of Colorado, effective January 1, 2004, which covers the commercial HMO insurance of approximately six thousand and sixty-six (6,066) members as of June 30, 2005 resident in Boulder.

C. “Commercial Health Insurance Products” means United or PacifiCare products for comprehensive commercial health coverage (whether Administrative Services Only (“ASO”) or fully insured) including, but not limited to: (1) Health Maintenance Organization (“HMO”) group products; (2) Preferred Provider Organization (“PPO”) group products; (3) Point-of-Service (“POS”) group products; (4) indemnity insurance group products; and (5) Exclusive Provider Organization (“EPO”) group products, but does not include Medicare Health Insurance Products.

D. “CTN” means CareTrust Networks, formerly known as California Physicians’ Service Agency, Inc. (“CPSA”), a California business corporation that operates the CTN network in California, its successors and assigns, and its parent, subsidiaries, divisions, groups, affiliates, partnerships, and their respective directors, officers, managers, agents, and employees.

E. “Divestiture,” “Divest” or “Divesting” means the sale, transfer, ceding, assignment or disposition of the beneficial interest in a contract or policy for health care coverage included in the Divestiture Assets by commercially reasonable means in accordance with applicable law.

F. “Divestiture Assets” means the Tucson Commercial Insurance Contracts and the Boulder Contract, and may also include copies of all relevant contracts, business records, data and information that specifically relate to the Divestiture Assets, but excluding defendants’ proprietary assets and know-how used for general application in defendants’ businesses.

G. “Legacy United Customers” means existing or new customers that have, prior to the closing of the Transaction, committed to purchase or been issued a quote for health care services from United using the CTN network in California.

H. “Medicare Health Insurance Product” means any plan, whether HMO, PPO, fee-for-service or other, providing managed care Medicare coverage under any of the following: Medicare Part B, Medicare Advantage, Medicare Cost Plans, or the Programs of All Inclusive Care (PACE).

K. “Transaction” means the merger contemplated by the Agreement and Plan of Merger dated July 6, 2005, by and among United, Point Acquisition LLC and PacifiCare.

L. “Tucson” means the Metropolitan Statistical Area consisting of Pima County, Arizona.

Such contracts include contracts identified by United covering at least 7,581 members that obtain health coverage under United or PacifiCare contracts for Commercial Health Insurance Products with small group employers (2-50 employees) situated in Tucson (“Tucson Small Group Employers”), such 7,581 members representing the total

number of resident Tucson Small Group Employer members that PacifiCare reported as of June 30, 2005. Such contracts may otherwise include contracts identified by United for any Commercial Health Insurance Products entered into by PacifiCare or United.

N. "United" means defendant UnitedHealth Group Incorporated, a Minnesota corporation with its headquarters in Minnetonka, Minnesota, its successors and assigns, and its subsidiaries, divisions, groups, affiliates, partnerships and joint ventures, and their respective directors, officers, managers, agents, and employees.

III. APPLICABILITY

A. This Final Judgment applies to PacifiCare and United, as defined above, and to all other persons in active concert or participation with any of them who receive actual notice of this Final Judgment by personal service or otherwise.

B. Defendants shall require, as a condition of the sale or other disposition of all or substantially all of their assets or of lesser business units that include either the Divestiture Assets or any rights under United's network access agreement with CareTrust Networks, that the acquirer agrees to be bound by the provisions of this Final Judgment. Defendants however, need not obtain such an agreement from any Purchaser of the Divested Assets.

IV. DIVESTITURES

A. Defendants are hereby ordered and directed to Divest the Divestiture Assets in a manner consistent with this Final Judgment to one or more Purchasers acceptable to the United States, in its sole discretion, within: (i) one hundred and twenty (120) calendar days after the date on which the Transaction closes; or (ii) within five (5) days after notice of the entry of this Final Judgment by the Court, whichever is later. If approval or consent from any government

unit is necessary with respect to Divestiture of the Divestiture Assets by defendants or the Divestiture Trustee, and if applications or requests for approval or consent have been filed with the appropriate governmental unit within one hundred and twenty (120) calendar days after the date on which the Transaction closes, but an order or other dispositive action on such applications has not been issued before the end of the period permitted for Divestiture, the period shall be extended with respect to Divestiture of those Divestiture Assets for which governmental approval or consent has not been issued until five (5) business days after such approval or consent is received.

B. The United States, in its sole discretion, may agree to one or more extensions of this time period not to exceed sixty-five (65) days total and shall notify the Court in such circumstances. Defendants agree to use their best efforts to Divest the Divestiture Assets as expeditiously as possible.

C. In accomplishing the Divestitures ordered by this Final Judgment, defendants promptly shall make known, by usual and customary means, the availability of the Divestiture Assets. Defendants shall inform any person making an inquiry regarding a possible purchase that the Divestiture is being made pursuant to this Final Judgment and shall provide such person with a copy of this Final Judgment. Defendants shall offer to furnish to all prospective Purchasers, subject to reasonable confidentiality assurances, all information and documents relating to the Divestiture Assets customarily provided in a due diligence process, except information and documents subject to the attorney-client privilege or the attorney work-product privilege. Defendants shall make available such non-privileged information to the United States at the same time that such information is made available to prospective Purchasers.

D. Defendants shall permit prospective Purchasers of the Divestiture Assets to have reasonable access to personnel and access to any and all financial, operational, or other documents and information as is customarily provided as part of a due diligence process for a transaction of this type.

E. Defendants shall provide to prospective Purchasers, and to the United States, information relating to the personnel in the sales and account management of the Divestiture Assets to enable such Purchasers to make offers of employment to those persons. Prior to Divestiture, defendants shall not interfere with any negotiations by any Purchaser to employ any such persons. For a period of one year from the date of the completion of each Divestiture, defendants shall not hire or solicit to hire any such person who was hired by any Purchaser, unless such individual has (1) a written offer of employment from a third party in such capacity or (2) a written notice from such Purchaser stating that the Purchaser does not intend to continue to employ the individual in such capacity.

F. Defendants shall warrant to all Purchaser(s) that the contracts included in the Divestiture Assets are in full force and effect on the date that binding agreements for the Divestiture are signed.

G. Defendants shall use their best efforts to Divest the Divestiture Assets and procure any consents and approvals required for such Divestitures.

H. Pursuant to a transition services agreement on customary commercial terms and conditions and approved by the United States, at the Purchaser's request, defendants will provide certain transitional support services for the Divestiture Assets for a period of time not to exceed eighteen (18) months from the date of Divestiture. These services may include claims

processing, computer operations support, eligibility, enrollment, utilization management and run-out administration and such other services as are reasonably necessary to operate the Divestiture Assets.

I. Unless the United States otherwise consents in writing, the Divestiture pursuant to Section IV, or by trustee appointed pursuant to Section V, shall include the entire Divestiture Assets and shall be accomplished in such a way as to satisfy the United States, in its sole discretion, that the Divestiture Assets can and will be used by the Purchaser(s) as part of a viable, ongoing business engaged in the sale of Commercial Health Insurance Products. The Divestiture of the Divestiture Assets may be made to one or more Purchasers, provided that in each instance it is demonstrated to the sole satisfaction of the United States that the Divestiture Assets will remain viable and the Divestitures will remedy the competitive harm alleged in the Complaint. The Divestitures, whether pursuant to Section IV or Section V of this Final Judgment: (1) shall be made to Purchaser(s) that, in the United States's sole judgment, each have the intent and capability (including the necessary managerial, operational, technical, and financial capability) to compete effectively in the sale of Commercial Health Insurance Products; and (2) shall be accomplished so as to satisfy the United States, in its sole discretion, that none of the terms of any agreement between defendants and any Purchaser gives defendants the ability to interfere with the Purchaser's ability to compete effectively.

J. If, before defendants can Divest the Boulder Contract, the University of Colorado has terminated its entire contract with PacifiCare for commercial HMO insurance or the portion thereof that relates to the Boulder membership as defined in this Final Judgment and has awarded that entire contract or the Boulder portion to a Commercial Health Insurance plan other than

United or PacifiCare, then defendants shall not be required to Divest the Boulder Contract or any other contracts or assets in the Boulder MSA. If the University of Colorado has not terminated the contract entirely or the Boulder portion but, in the United States's sole discretion, Divesting the Boulder Contract as it is defined in this Final Judgment would be unreasonably disruptive to the University of Colorado, then defendants shall instead be required to Divest contracts identified by United covering at least 6,066 members who reside or work in Boulder and who obtain health coverage under United or PacifiCare contracts for Commercial Health Insurance Products.

V. APPOINTMENT OF TRUSTEE

A. If defendants have not Divested the Divestiture Assets within the time period specified in Section IV, defendants shall notify the United States of that fact in writing. Upon application of the United States, the Court shall appoint a trustee selected by the United States and approved by the Court to effect the Divestiture of any of the Divestiture Assets not already Divested or subject to a binding Divestiture agreement.

B. After the appointment of a trustee becomes effective, only the trustee shall have the right to Divest the Divestiture Assets. The trustee shall have the power and authority to accomplish the Divestitures to Purchaser(s) acceptable to the United States: (1) at such price and on such terms as are then obtainable upon reasonable effort by the trustee, subject to the provisions of Sections IV, V, and VI of this Final Judgment; (2) subject to Section V.C below, by hiring at the cost and expense of defendants any investment bankers, attorneys, or other agents, who shall be solely accountable to the trustee, reasonably necessary in the trustee's judgment to assist in the Divestitures; and (3) with such other powers as the Court deems appropriate.

C. Defendants shall not object to any Divestiture by the trustee on any ground other than the trustee's malfeasance. Any such objections by defendants must be conveyed in writing to the United States and the trustee within ten (10) calendar days after the trustee has provided the notice required under Section VI.

D. The trustee shall serve at the cost and expense of defendants, on such terms and conditions as the United States approves, and shall account for all monies derived from the sale of the Divestiture Assets sold by the trustee and for all costs and expenses so incurred. After approval by the Court of the trustee's accounting, including fees for its services and those of any professionals and agents retained by the trustee, all remaining money shall be paid to defendants and the trust shall then be terminated. The compensation of the trustee and any professionals and agents retained by the trustee shall be reasonable in light of the value of the Divestiture Assets and based on a fee arrangement providing the trustee with an incentive based on the price and terms of the Divestitures and the speed with which they are accomplished, but timeliness is paramount.

E. Defendants shall use their best efforts to assist the trustee in accomplishing the required Divestitures, including best efforts to effect all necessary regulatory approvals and consents. The trustee and any consultants, accountants, attorneys, and other persons retained by the trustee shall have full and complete access to the personnel, books, and records that relate to the Divestiture Assets, and defendants shall develop financial or other information relevant to the Divestiture Assets as the trustee may reasonably request, subject to customary confidentiality assurances.

F. After its appointment, the trustee shall file monthly reports with the United States and the Court setting forth the trustee's efforts to accomplish the Divestitures ordered under this Final Judgment; provided, however, that to the extent such reports contain information that the trustee deems confidential, such reports shall not be filed in the public docket of the Court. Such reports shall include the name, address and telephone number of each person who, during the preceding month, made an offer to acquire, expressed an interest in acquiring, entered into negotiations to acquire, or was contacted or made an inquiry about acquiring, any interest in the Divestiture Assets, and shall describe in detail each contact with any such person. The trustee shall maintain full records of all efforts made to Divest the Divestiture Assets.

G. If the trustee has not accomplished such Divestitures within six (6) months after its appointment, the trustee thereupon shall file promptly with the Court a report setting forth (1) the trustee's efforts to accomplish the required Divestitures; (2) the reasons, in the trustee's judgment, why the required Divestitures have not been accomplished; and (3) the trustee's recommendations; provided, however, that to the extent such reports contain information that the trustee deems confidential, such reports shall not be filed in the public docket of the Court. The trustee shall at the same time furnish such report to the United States, who shall have the right to be heard and to make additional recommendations consistent with the purpose of the trust. The Court shall enter thereafter such orders as it shall deem appropriate in order to carry out the purpose of this Final Judgment which may, if necessary, include extending the trust and the term of the trustee's appointment by a period requested by the United States.

VI. NOTICE OF PROPOSED DIVESTITURES

A. Within two (2) business days following execution of a definitive Divestiture agreement, contingent upon compliance with the terms of this Final Judgment, to effect, in whole or in part, any proposed Divestitures pursuant to Section IV or Section V of this Final Judgment, defendants or the trustee, whichever is then responsible for effecting the Divestitures, shall notify the United States of the proposed Divestitures. If the trustee is responsible, it shall similarly notify defendants. The notice shall set forth the details of the proposed Divestiture and list the name, address, and telephone number of each person not previously identified who offered to, or expressed an interest in or a desire to, acquire any ownership interest in the Divestiture Assets that is the subject of the binding contract, together with full details of same.

B. Within fifteen (15) calendar days of its receipt of such notice, the United States may request from defendants, the trustee, the proposed Purchaser(s), or any other third party additional information concerning the proposed Divestitures, the proposed Purchaser(s), and any other potential Purchaser(s). Defendants and the trustee shall furnish any additional relevant information requested from them promptly, and in all events within fifteen (15) calendar days of the receipt of the request, unless the parties shall otherwise agree.

C. Within thirty (30) calendar days after receipt of the notice or within twenty (20) calendar days after the United States has been provided the additional information requested from defendants, the trustee, the proposed Purchaser(s), and any third party, whichever is later, the United States shall provide written notice to defendants and the trustee, if there is one, stating whether it objects to the proposed Divestitures. If the United States provides written notice to defendants and the trustee that it does not object, then the Divestitures may be consummated,

subject only to defendants' limited right to object to the Divestiture under Section V.C of this Final Judgment. Absent written notice that the United States does not object to the proposed Purchaser(s) or upon objection by the United States, such Divestitures proposed under Section IV or Section V shall not be consummated. Upon objection by defendants under Section V.C, a Divestiture proposed under Section V shall not be consummated unless approved by the Court.

VII. INJUNCTIVE PROVISIONS

A. Effective one (1) year after the entry of this Final Judgment, United shall discontinue renting the CTN provider network in the State of California and shall not rent the CTN provider network for the period of the Final Judgment.

B. Effective upon the closing of the Transaction, United shall not:

- (1) communicate with CTN in any way regarding the introduction of new United or CTN Commercial Health Insurance Products, in California or elsewhere;
- (2) permit any United customer, other than a Legacy United Customer, to access the CTN network;
- (3) have any involvement with CTN relating to negotiations over rates or other terms with any physician or hospital in any provider network;
- (4) have any involvement with CTN relating to the development of any provider network;
- (5) exchange with CTN any non-public information (including, but not limited to, information relating to PacifiCare's network or the sale or marketing of Commercial Health Insurance Products) that is not necessary for United's rental of provider services from or access by Legacy United Customers to CTN's network;
